PVMI and GROWER agree as follows:

1. Non-Exclusive Sublicense. Subject to the terms and conditions of this Agreement, PVMI grants GROWER a non-exclusive sublicense to the Licensed Products identified below in the Territory identified below, for the sole purpose of propagating the Licensed Product for sale and/or internal transfer as seed (i.e., replanting for commercial production by Grower) (the “Field of Use”), for the 2024 crop year through and until December 31, 2024, unless sooner terminated by PVMI in accordance with this Agreement. GROWER may not assign or sublicense any of its rights under this Agreement. A new agreement with PVMI is required for any other contracted or affiliated grower. Further, PVMI retains all of its rights, including but not limited to domestic and international Intellectual Property Rights.

1.1 Licensed Product and Territory. “Licensed Product” means any type of tissue culture plantlets or mini-tubers, pre-nuclear, nuclear, first field generations, and later generations of seed potatoes of the following variety(ies) selected from among those listed in Exhibits A and B (attached hereto) (“PVMI Varieties”), to be grown solely in the territory(ies) indicated below (the “Territory”):

Variety	Generation	Territory (select and identify specific states/country, as applicable)
		<input type="checkbox"/> Tri-State Area (Oregon, Wash., Idaho): \$100 annual license fee State: _____ <input type="checkbox"/> Outside Tri-State Area: \$250 annual license fee State: _____ <input type="checkbox"/> International: \$250 annual license fee Country: _____

1.2. Annual License Fee. Upon the mutual execution of this Agreement, GROWER shall pay PVMI a single Annual License Fee in the *highest* applicable amount in the table above with respect to the Territory(ies) selected.

1.3 Annual Royalty. GROWER also shall pay an Annual Royalty for each variety of Licensed Product at the applicable per cwt rates stated above with respect to each category of the Territory in which the seed was grown. Specialty varieties (see attached Exhibit A & B) are subject to a higher rate. The Annual Royalty must be paid on all sales of Licensed Product seed from the crop year of this Agreement, whether sold within the term of this Agreement or thereafter, and are due within thirty (30) days of each respective sale or transfer date. All Licensed Products sold or otherwise transferred by GROWER shall be presumed to have been sold as seed (unless otherwise demonstrated to PVMI's satisfaction).

This Agreement is subject to all of the terms and conditions stated herein, including those on the following pages 2 through 6, to which GROWER and PVMI expressly agree. GROWER acknowledges and agrees that any additional or modified terms inserted by GROWER are not part of the contract between PVMI and GROWER unless expressly agreed by PVMI in writing.
